# FOOTBALLS

# UNRIVALLED PERFORMANCE

## ULTIMAX PRO TECHNOLOGY

### HYPERFOAM™

Highly elastic, soft feel foam combines maximum power without compromising touch.

### HYPERSEAL™

Thermally bonded construction. No stitches ensures zero water absorption and incredible shape retention.

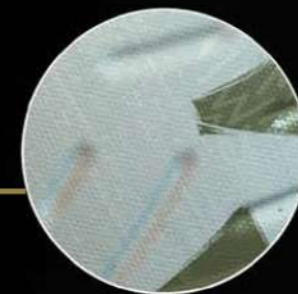

### PATCH BLADDER

Polyester panels strategically placed over butyl bladder for maximum rebound.

### 4 PANEL CONSTRUCTION

Less panels equals less seams, which means better quality and durability.

### HYPERFLOW™

Debossed grooves manipulate airflow for unrivalled flight accuracy and consistency at all speeds. Featuring Hyperseal Technology with thermally bonded seams, for unrivalled performance, unbeatable shape retention and 32% more durability vs previous models.

# AUSTRALIA CUP REPLICA

THE OFFICIAL REPLICA FOOTBALL OF THE AUSTRALIA CUP

Size(s) Available **4,5**

RRP: \$30

B01811YSB

Introducing the Mitre Train Australia Cup football for the 2023 Season. A training & replica of the official Ultimax Pro Australia Cup Ball. The new design features a wealth of nostalgia & heritage, with design cues from the original Ultimax Ball of the 90's, but given an Australia Cup twist, with embellished trophy design and striking colour palette. The Delta Train Australia Cup Ball is a high performance training ball, developed to perform consistently during training. Featuring a foam back lining, to ensure maximum control, and so players can develop their confidence as they play. It's been designed with durability in mind, and superb air-retention so it will withstand use for the full season. Suitable for grass and astro. Available in various sizes, depending on age. (Size 4 and 5).
